A., report to the board what charges are made by the association for board and lodging. The resolution was adopted, and Clerk Dunford will communicate with Secretary McKee and ask for a report as to the rates mentioned. Charges made by the Y M. C. A. for admission and yearly membership and for other purposes were not mentioned in the resolution.

The Y. M. C. A. Is Covered by Insurance.

Fire, which wiped out the plant of the Jefferson Coal and Wood Company, 2305 Jefferson Avenue, yesterday afternoon, entailing a loss of \$3,000, covered by insurance, threatened several frame dwellings, and it was only by the hardest sort of fighting that adjoining property was saved. As it was, back fences and outhouses of J. W. Warren, of \$64 North Twenty-fourth Street; A. A. Evans, of \$506 North Twenty-fourth Street; J. S. Hatch, \$68 North Twenty-fourth Street; J. S. Hatch, \$68 North Twenty-fourth Street; J. S. Hatch, \$68 North Twenty-fourth Street, were destroyed. The home of J. M. Womack, 2310 East Clay Street, separated from the woodyard by a fifteen-foot alley, were under control. One side was badly scorched, and the building was otherwise damaged by fire and water. At one time it looked as though the dwelling, a frame structure, was doomed, but it was saved by the fine work of the department.

Origin Undetermined.

The origin of the fire was not determined. It started in a woodshed and had gained considerable headway when it was discovered by a negro driver. V. L. Dyer, a citizen, turned in an alarm from Box 316, at Twenty-seyond Street and Jefferson Avenue, and Engine Companies Nos. 1 and 11 and No. 4 Truck, in charge of Assistant Chief Raffo, responded. A second alarm was turned in and this brought Companies Nos. 2, 3 and 4. In a few minutes six streams were playing upon the buildings, but it was some time before the blaze was under control. Though the hard work was over in less than an hour and the adjoining property out of danger, it was midnight before all apparatus had returned to quarters.

Frank L. Phaup, a member of the coal and wood firm, said that he did not believe the total damage would exceed \$3,000. The buildings which were burned were owned by Mrs. I. M. Crouch, of 512 North Twenty-fourth Street.

"It was one of the hardest fights we have had in a long time," said Chief

While returning to its quarters in Third Street, Automobile Engine No. 4 met with a slight mishap, when a wagon drove before its path as it turned out of Broad Street. It raked the sides of the vehicle, breaking a shaft. No one was hurt.
